Position your organization in front of more than 4,200 attendees—including practicing, “in-field” professionals and leading scientists in industry, government, and academia—interested in the latest research, product development, and industry advances related to agricultural sciences.

Q: Who attends our Annual Meeting?
A: 4,200+ industry influencers from around the world.

Don't miss this opportunity to:
- Build brand awareness
- Collect high-quality sales leads
- Launch new products & services
- Cultivate customer relationships
- Expand your customer base to the next generation

How Do We Drive Traffic to You?

- Welcome Reception: more than 85% of all registrants are in attendance
- Exclusive exhibit hall hours
- Graduate School Forum, Career Center, Society Center, and special events are daily draws to Exhibit Hall
- Receptions & “Dueling Happy Hours”
- Regularly sponsored coffee breaks

Drive Traffic to Your Booth

E-Blast — $4,000 each
**Opportunities available – 4**
Pre-show email distributed directly to Annual Meeting attendees. A direct connect helps drive traffic to your booth.

Annual Meeting Mailing Lists

Mailing list of registered attendees are available for rent exclusively to the 2017 Annual Meeting exhibitors. A direct mail campaign can help attract qualified leads to your booth! (One-time use)

Attendee Mobile App — $2,500 **Opportunities available – 4**
Be at the top of each attendee’s mind (and their phone or tablet) via premier logo placement on the smartphone app. Your ad will appear at the bottom of the screen and will rotate in sequence with other sponsors.

Social Media Contest — $2,500

Sponsor the prize money and increase the use of your chosen hashtag. Raise awareness of your tradeshow presence as the prize must be picked up at your booth.

Program Book Advertising

Reach attendees by advertising where they look for program information multiple times throughout the day.

Create a Custom Sponsorship Package
Sponsorship ideas to get you started:

### Welcome Reception — $10,000
Opportunities available — 4
Make a splash at the Annual Meeting’s most highly attended event. Includes:
- Prominent signage (entrance & buffets)
- 10’ x 10’ Exhibit Booth
- Keg/wine & snacks, in booth during Welcome Reception
- Gold Level sponsor benefits
Stand out from the crowd right away on opening night.

### Wi-Fi — $15,000
Opportunities available — 2
Place your company logo and website in front of meeting attendees who utilize the complimentary Wi-Fi. Sponsorship also includes rotating banner ad placements on the mobile app.

### Attendee Lanyards — $10,000
Have every attendee wear your company logo around their neck! Your company logo will be printed on the meeting lanyards which are distributed to each attendee.

### Hotel Keycards — $10,000
Stay at the top of the minds of Annual Meeting attendees by putting your logo on the hotel keycards of all of our host hotels. Every time they enter their hotel rooms, your logo will be seen.

### Society Awards Breakfast & Plenary — $7,500
Opportunities available — 3
Each society (ASA, CSSA, SSSA) recognizes award and scholarship recipients at their prestigious Awards breakfasts featuring a plenary lectureship speaker. Prominent signage, front-of-room screen recognition, and an opening mention by Society president are all included.

### Coffee Breaks — $5,000
Opportunities available — 3
Be remembered for providing the wake-up call to attendees on Monday, Tuesday, or Wednesday morning! Your company name will be on signage in the area and your company representative can greet attendees in the break area conveniently located on the tradeshow floor.

### Water Stations — $3,500
Put your company name in front of attendees as they rehydrate throughout the day. Your company logo will be printed on signs at each water station, located throughout the convention center.

### Fun Run — $500
Multiple opportunities available.
Make sure to be part of the annual fun run! Hundreds of attendees gather for this social and often competitive 5K run. The exclusive sponsorship includes your logo on the official t-shirt, signage at the event, and a special mention at the start of the race.

### ASA, CSSA & SSSA Technical Sessions
Contact for Pricing
Each Society has a series of sections, divisions, and communities focused on a variety of scientific and practical disciplines. These groups host technical sessions that attract focused audiences of a few hundred attendees at a time.

---

**CONNECT WITH STUDENT MEMBERS**

### Graduate Student Social — $15,000
This event is one that the students don’t miss and look forward to every year. Have them remember your company by helping provide the food, beverage, and entertainment during the reception.

### Undergraduate Student Social — $15,000
2 Available, Saturday & Monday
Undergraduates come out in full-force to take part in the two largest SASES networking and social events at the Annual Meeting. Have them remember your company by helping provide the food, beverage, and entertainment during the reception.

### SASES Tour Buses — $10,000
Provide transportation for every student attendee to participate in valuable educational tours. Use this opportunity to position your organization as a partner in their future careers.

### Graduate Student Lounge — $10,000
All students are invited to relax and unwind in the graduate student lounge which will be located in the exhibit hall. Computers, beverages, and lounge furniture will be provided.

### SASES T-Shirt — $5,000
Stay relevant with undergraduate students by sponsoring the Annual Meeting t-shirt. This features an excellent branding opportunity that is sure to have a long shelf life.

### SASES Quiz Bowl — $5,000
Besides meals, this is the most well attended SASES event for both students and their advisors. Opening recognition and banner signage is just the start. Every single slide projected on the giant Quiz Bowl screen will have your logo.

### SASES Awards Banquet or Breakfast & Keynote Speaker — $5,000 each
Put your logo/messaging in front of one of the most elite pools of potential employees/interns in agronomy.

### Student Competitions — $1,500 (per contest)
Provide prize money and support for our undergraduate students. Position your logo and message in front of the most elite students in our sciences. You may even find a potential new hire in the group.

acsmeetings.org
About the Societies

The American Society of Agronomy, Crop Science Society of America, and Soil Science Society of America are independent, progressive international scientific societies. They foster the transfer of knowledge and practices to sustain their sciences. Based in Madison, WI, the three Societies feature society specific programs and collaborate to provide services to members and stakeholders. These include publications, meetings, advocacy, student development (undergraduate and graduate), K12 activities, and science communications.

American Society of Agronomy
8000+ members
14,000+ Certified Crop Advisors
ASA is dedicated to sustaining and advancing the field of agronomy. For more than 100 years, ASA has provided a scientific and professional home for agronomists around the world. Focus areas include agronomic productions systems, biometry & statistical computing, climatology & modeling, education & extension, environmental quality, global agronomy, and land management.

Crop Science Society of America
5000+ members
CSSA fosters the mission of plant science for a better world and strives to be the proactive leader in influencing policy and creating cooperative partnerships to advance crop science. Founded in 1955, focus areas include crop breeding and genetics, physiology and metabolism, seed production/technology, turfgrass science, forage & grazinglands, genomics, plant genetic resources, and biomedical/health-beneficial/nutritionally enhanced plants.

Soil Science Society of America
6000+ members
700+ Certified Professional Soil Scientists
SSSA seeks to advance soils as fundamental to life. For over seven decades, SSSA has provided members with resources to exchange information and make professional connections. Focus areas include soil physics, chemistry, mineralogy, biology & biochemistry, and pedology; soil fertility & plant nutrition, nutrient management, soil & water management and conservation, environmental quality, wetland soils, urban & anthropogenic soils, and forest/range/wildland soils.
